PRESS RELEASE

About issue of collector's QAZAQ KÚRESI

Astana

15 Astana 2025

National Bank of Kazakhstan (hereinafter referred to as the NBK) is issuing **QAZAQ KÚRESI** collector coins from the "Rituals and National Games of Kazakhstan" coin series.

The coins will be sold through the NBK online store at <https://kazcoins.nationalbank.kz> starting **17 December 2025**.

About the collector coins

"Qazak kuresi" is a traditional Kazakh national wrestling sport, where two wrestlers test their strength, agility and endurance. This martial art has a centuries-old history and is considered an important part of Kazakh culture and sporting heritage.

The coins are made of:

- 925 sterling silver with gold plating, weighing 24 grams, measuring 37 mm in diameter, proof quality, with a denomination of 1,000 KZT, and a mintage of 2,000 (two thousand) pieces;
