**Governor of the National Bank of Kazakhstan at the International Conference in celebration of the 25th anniversary of the national currency of the Kyrgyz Republic**

The Governor of the National Bank of Kazakhstan Daniyar Akishev took part in the International Conference in celebration of the 25th anniversary of the national currency of the Kyrgyz Republic on May 11, 2018.

During the event, the delegates got acquainted with the history of the Kyrgyz som, exchanged experiences on economic reforms, discussed the international aspects of the monetary system and other relevant issues, such as the performance capabilities and prospects of financial technologies, challenges in the payment and settlement systems, cybersecurity, and cryptocurrency.

The conference was attended by the President of Kyrgyzstan, H.E. Zheenbekov S., representatives of the Parliament and government agents of the Kyrgyz Republic, IMF Deputy Managing Director, Mr. Zhang T., regional representatives of the IMF, ADB, EBRD, IFC, Eurasian Economic Commission, managers of state regulatory and supervisory bodies of the Kyrgyz Republic, representatives of the central banks of Armenia, Georgia, Mongolia, Moldova, Russia, Uzbekistan, Tajikistan, Switzerland and the Czech Republic.

On the sidelines of the conference the Kyrgyz media have also interviewed the Governor of the National Bank of Kazakhstan.
