NEWS RELEASE

Sale of JETI QAZYNA Numismatic Coins from Steppe Treasures Series is Postponed

Nur-Sultan City

March 30, 2021

In connection with introduction of tougher quarantine measures, the National Bank of Kazakhstan has announced it puts off a date of sale of JETI QAZYNA numismatic coins. This decision has been taken with a view to comply with sanitary and epidemiological requirements.

Information about market launch of JETI QAZYNA coins will be additionally posted on the official website of the NBK.

We remind that earlier it [was planned](#) to launch sale of the coins on 31 March 2021 via regional branches of the National Bank.
