Astana City

November 16, 2022

The National Bank of Kazakhstan announces start of sales on **November 17, 2022** of JAMBYL. 175 JYL collectors' coins from the *Outstanding Events and People* series.

The coins will be sold in NBK online store on platform <http://kazcoins.nationalbank.kz/>.

#### Description of JAMBYL. 175 JYL coins

JAMBYL. 175 JYL collectors' coins are made of cupronickel alloy CuNi 25, denomination 100 KZT, weight 15 grams, diameter 33 mm, brilliant uncirculated quality, mintage 15,000 pcs.

Obverse of the coins in the central part depicts the coat of arms of the Republic of Kazakhstan. To the left and to the right of the coat of arms there are elements of the national ornament. Inscriptions QAZAQSTAN ULTTYQ BANKI • NATIONAL BANK OF KAZAKHSTAN run along the circumference. At the bottom, there is an inscription 100 TENGE, indicating the face value of the coin.

Reverse of the coins pictures a portrait image of Zhambyl Zhabayev, in the center it contains lines from the poem 'Artyksha tугan azamat.' Inscriptions JAMBYL and QAZAQ HALYQ AQYNY are located around the circumference of the coin.

JAMBYL. 175 JYL collectors' coins must be accepted at their face value throughout the Republic of Kazakhstan for all types of payments as well as for crediting to bank accounts and for transfer, they must be changed and exchanged in all the banks of Kazakhstan.

Collectors' coins were made at Kazakhstan Mint.
