PUBLIC INFORMATION NOTICE

Collection of participants' applications for the Scientific and Practical Conference on Strategic Issues of Monetary policy is accomplished

April 7, 2023

Astana

National Bank of Kazakhstan announces completion of accepting applications for participation in the scientific and practical conference **“Strategic issues of the Monetary policy. Challenges of the new economic reality”**. The conference will be held on April 25, 2023 in Almaty.

During February and March 2023, more than 20 applications were received by National Bank from researchers from higher education institutions and research centers. All applications were thoroughly reviewed and studied. Research papers that are most suitable for the thematic direction of the Conference will be selected for inclusion in program.

All research papers that will be presented during the Conference may be reviewed in a special issue of the National Bank's periodic publication “Economic Review”.

The Conference announcement and media accreditation form are to be sent on April 20th.
