PUBLIC INFORMATION NOTICE

May 16, 2017

Section “Employment” appeared in the mobile application “NBK Online”

In the mobile application of the National Bank of the Republic of Kazakhstan “NBK Online” a new section «Employment» has been launched.

In this section, each user can receive an answer to the question of interest to him, namely, the procedures for hiring at the National Bank and the selection stages directly from the personnel of HR Division. Also, the user who is the bachelor or the master at the university will be able to receive clarification on the issue of apprenticeship at the National Bank.

Would like to remind you that the service “NBK Online”, which is designed for operational interaction with the public on the issues of the National Bank and the protection of the rights of consumers of financial services was launched in November 2016. “NBK Online” is a modern messenger similar to Whatsapp, Viber or Telegram. The user can directly contact the National Bank with questions, problems, suggestions by “NBK Online”.

Mobile application “NBK Online” is available for download in the state and Russian languages in the App Store and Play Market.
